

Yazad Dalal

Executive Vice President, Asia

TMP Worldwide Advertising & Communication

Currently Yazad Dalal is Executive Vice President, Asia at TMP Worldwide Advertising & Communication, the world's largest independent recruitment ad agency. Yazad and his team work at the intersection of creative and technology and specialize in bringing innovative creative to life on digital, social and mobile platforms across the region.

Yazad has spent the past 15 years working in the human capital advertising and communication space, at both Monster Worldwide and Vault.com, helping companies around the world use digital tools to attract, engage and retain the best talent. He has led TMP's agency business in both New York and in Bangalore and as an employment communications expert, he has appeared in Forbes, New York Daily News, Black Enterprise, CNNMoney, Crain's, NY1, and the Washington Post.

In 2013 TMP received 101 awards for creative and digital excellence and was ranked #37 on AdvertisingAge's list of top digital agencies. Yazad's major clients in Asia include American Express, HP, Boeing, eBay and The Walt Disney Company.
